Whenever we entertain kids with one of our themed performances we can provide accompanying merchandise to make the event truly special for the children. It might be a fairy pack or merchandise tailored to a particular superhero. Our age appropriate gifts and toys ensure that kids leave the event with something memorable.

We'll put your kids in the picture and turn them into the superhero they've always dreamed of being. They might find themselves flying through the air, walking the plank or riding a broomstick! BIG FUN FOR LITTLE PEOPLE!

"The way you engaged the kids' attention and encouraged everyone to get into the mood of the evening was truly remarkable. Some of the silly shenanigans going down on the dance floor were hilarious! We at the RSPCA were so impressed with the professionalism and value of your entertainers."

SARAH ROSSITER, RSPCA

"Superheroes Inc's performers always go out of their way to entertain the kids, as well as the adults, of our company. I have no problem highly recommending the team for any occasion where you would like your children's attention completely captivated!"

KAREN HOPE, TUPPERWARE SALES AUSTRALIA

"It's always a pleasure to deal with such helpful and accommodating people who help make the event organisation effortless. We appreciated you arriving early and staying late on the day and definitely going above and beyond the call of duty to make sure every last child had one of your balloon sculptures! It all adds up to excellent value for money and we wouldn't hesitate to recommend you and your team."
